

BASSEL PAUL GEBRAEL
D.D.S., DIP. PERIO., F.R.C.D.(C)

PIEZO-SURGERY HANDS-ON COURSE FOR SAFE, FAST, AND EASY EXTRACTIONS. Distinguish Your Practice With Gentle Piezo-extractions!

Includes: Hands-on piezo surgical training on a pig mandible.

PLUS: MANAGEMENT OF THE EXTRACTION SOCKET-
Evidence based bone grafting of the alveolus.

Piezo surgical technology allows extraction of broken teeth and roots with maximum preservation of the extraction socket. The Piezo surgical unit acts as a powered periosteal elevator that severs the periodontal ligament around the tooth until complete avulsion. **Traditional methods of root tip extraction involve a lot of bone removal with an imprecise and rotating high speed rotary bur.**

ADVANTAGES OF PIEZO-SURGERY:

- Less trauma to the tissue due to less need for tooth luxation.
- Better buccal bone preservation for implants,
- Less bleeding during the surgery due to micro-cavitation effect
- Reduced risk of buccal plate fracture during extractions
- Reduced risk of injury to nerves and blood vessels
- Decreased post-op pain and swelling.

COURSE OBJECTIVES:

1. Learn piezo-surgical techniques for clinical scenarios including atraumatic extraction, socket preservation, and crown lengthening.
2. Review the scientific data on piezo-surgical technology and its clinical applications
3. Step-by-step instructions on successful piezo-surgical extraction and socket preservation
4. Hands-on training using a piezo-surgical unit to perform extractions, socket preservation on pig mandibles.
5. Learn procedure specific flap design, closure techniques and post-operative management.

Piezo extraction tips separate the tooth from its attachment system for a rapid extraction.

PLUS: Learn how to piezo-harvest autogenous bone chips for highly active bone grafts.

COURSE DATES

Sunday, September 29, 2019 or
Sunday, December 15, 2019

SPEAKER/INSTRUCTOR

BASSEL PAUL GEBRAEL, DDS, DIP. PERIO, FRCD(C)

COURSE TITLE

PIEZO SURGERY HANDS-ON COURSE FOR FAST, SAFE, AND EASY EXTRACTIONS.

ADDRESS

LHM STUDIOS, 1407 Dufferin St.,
Toronto, ON M6H 4C7

COURSE FEE

\$1895+ HST.

AGD members get extra \$200 off
so \$1695 + HST.

CREDIT HOURS

Eligible for 6 AGD CE Credits.
(RCDSO Category 2)

TIME

8:30 AM TO 12:00 LECTURE.
2 to 5 pm hands-on training.

**SURGICAL INSTRUMENTS,
PIEZO UNIT AND A PIG MANDIBLE
WILL BE PROVIDED.**
